

PILOT Volunteer Application THE VIPER RIDE™

Visually Impaired Patriots Experiencing the Road

Thank you for your interest in volunteering for THE VIPER RIDE™. VIPER stands for “Visually Impaired Patriots Experiencing the Road”. Our mission is to engage with Blind & Visually Impaired Veterans from Wisconsin to provide a day of motorcycling, socializing, food and entertainment.

This event cannot be successful without the help and support of our many dedicated Volunteers and Sponsors. Your participation will directly impact the positive experience of a US Military Veteran who is blind or visually impaired.

We actively recruit licensed, insured, and experienced motorcycle operators to serve as PILOTS (drivers) for our event. Two-up experience is required. Your motorcycle must be a minimum of 750cc, it must be properly equipped to carry a passenger, and we require that your motorcycle undergoes and passes a pre-ride safety inspection. Your bike may be a two-wheeler, a trike, a sidecar rig, or CanAm/Spyder style. Our PILOTS are patriotic, enthusiastic, and caring individuals; veterans and non-veterans alike. On event day, volunteer PILOTS serve as the drivers and escorts for our blind and visually impaired veteran passengers (TAILGUNNERS). For the safety, comfort, and enjoyment of our tail gunners, strict adherence to THE VIPER RIDE rules must be followed.
